# Our history

◆ **2022** **Motamayez** was established coinciding with the launch and operation of the Light Rail Train connecting **Adly Mansour Station to the New Administrative Capital.**

◆ **2023** operations expanded with the activation of **five main stations: Obour, El Shorouk, El Robeiky, Badr City, and 10th of Ramadan**, allowing Premium Transport to serve a wider range of passengers and daily commuters.

◆ **2024** Due to the increasing demand and growing number of passengers, additional stations were introduced, including: **Capital Gardens, Zahraa Al Capital, New Heliopolis, and the New Administrative Capital**, further strengthening our presence and operational capacity.

◆ **2025** Motamayez Transport took a major strategic step by launching a **dedicated private transportation division**, focusing on **contract-based transportation services for employees, students, trips, and events**, providing tailored and reliable solutions for companies and institutions.

◆ **Committed to Continuous Development and Excellence**
